EW 3 Pre-test exercises

Traduisez

17 (Name 4 compound tenses and give an example of each)

18 (Name the three occasions where the past participle of an AVOIR verb agrees and give an example for each)

How many apples did you eat

the girls I listened to

She saw them

the letters I wrote

which books have you read?

we watched her

19 (Jot down the usual verbs that take être in compound tenses. Which of these can take AVOIR and when? Give an example for each of these 4 verbs)

she became I went they came in

we left I was born we came

they came back we went out we fell over

20 She went up I went out We went down She stayed
