ETON A Level French Grammar: Pre-test practice: EW 3

Traduisez

17 (Name 4 compound tenses and give an example of each)

18 (Name the three occasions where the past participle of an AVOIR verb agrees and give an example for each)

How many apples did you eat

the letters I wrote

the girls I listened to

which books have you read?

She saw them

we watched her

19 (Jot down the usual verbs that take être in compound tenses. Which of these can take AVOIR and when? Give an example for each of these 4 verbs)

she became

I went

they came in

we left

I was born

we came

they came back

we went out

we fell over

20 She went up

I went out

We went down

She stayed
