29 (Where do conjunctive pronouns go?) (What are the DIRECT object pronouns)

He gave them to Pierre. She saw them. They noticed us

I saw them playing You hit them She wrote it

(What are the INDIRECT object pronouns for people) (And for things?)

He spoke to her He gave her the book She showed us Pierre

He advised them She asked him You told me

(What is the order of pronouns when used with the same verb?)

He gave it to her She showed them to him I said it to her

She gave them to them I explained it to you She allowed him it

(In positive commands only, INDIRECT "me" and "te" change to what?)

(In positive commands only, where do the object pronouns go?) (In what order?)

30 (Disjunctive pronouns are used with which sorts of verb?)

(What are the disjunctive pronouns used for people?) (And for things?)

We trust her I will dream about it you remembered it I went up to it

He went up to them He laughed at me She laughed at it We used it

I am thinking of you opposite them prettier than me

HE saw them YOU did it Who? Them? It's you who said it

themselves I find it impossible to do it as you know as you told them

I am intelligent, they are not I ate five I saw others too

A woman came out She showed me three others He made fun of her
